

This is Expolinc

We are the hardware people!

We do not print. Therefore, we do not sell directly to end-users. We are happy to direct end-users to our many professional dealers worldwide!

Everything that we offer is developed by us!

That is a security for any user, we are in full control. We don't source any products from third party suppliers.

It is important that it looks nice!

We strongly believe that it's so important for the end result that the products are neutral and that the graphic hangs perfect. That's the whole purpose - putting the user in the best of lights!

User-friendliness is key!

If you are struggling with set-up, the end result is at risk! We make sure our products are intuitive and user-friendly. It should be fun to set-up our products, for everyone... and of course with a perfect result!

Lifetime is economy and sustainability!

The best materials and designs enable you to reuse our products for a long, long time! We put attention to every detail, both in design and production.

It's all heart!

All of us at Expolinc are passionate about our business and we are so proud that many of the world-wide brands are users of our products. For more than 35 years!

a soft bag with wheels.

Soft Image Counter

The lightweight counter

Soft Image Counter is based on the same construction as Soft Image, with the fabric attached with velcro. Its robust construction will stretch the fabric to a perfect, wrinkle free presentation of your message. It is a stable meeting place with internal shelf for marketing materials. The set up is quick and easy and the low weight makes it easy to carry.
